DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee
Physical Security Working Group

SECOM-D-212

6 September 1984

MEMORANDUM FOR: Physical Security Working Group Members

25X1
FROM:

SECOM Advisor

SUBJECT: Physical Security Seminar Planning

1. We need to now plan for our final Seminar this year scheduled for 15-19 October. Next year's Seminars for Intelligence Community personnel are scheduled for 4-8 March, 13-17 May and 28 October-1 November.

2. With due consideration to experience from the very successful August Seminar, I have developed a tentative schedule for October which is attached. Where speakers are identified, please determine their availability. Where speakers are not identified, sponsors please identify and determine the availability of prospective speakers. The schedule and speakers should be formalized at our 19 September meeting.

3. Also, please be prepared to submit nominations for the October Seminar no later than 19 September. Quotas will be established then and letters of invitation will be sent on 20 September. Needed by 19 September, in writing, are the name and address of each nominee. Authorization for TS/SI should be forwarded separately to the CIA, Compartmented Information Branch (CIB): Attn:  DCI SECOM for attendance at the PSWG Seminar.
